.....

Our harvesting is now well into its third month, and with favorable growing conditions we have been able to produce **QUALITY** seed in surplus to our contract needs.

One of our tests of **QUALITY SEED** is how well it germinates. This year we are again happy to announce that tests made by an independent laboratory have indicated our seeds to be tops in germination. When you want seeds that will grow, get the best.

Get **MACDONALD SEED** and be sure of your **QUALITY**.
